I worked for Jack at Shell during the Alaskan Lease sales and later in his Unconventional Resources Group. I spent lots of time flying with Jack (sometimes during lunch) and many hours sitting around his kitchen table working on the flying club along with Bill and John.

Jack was a great friend, an enlightened boss and always a gentleman. I often think about Jack and was shocked to hear of his passing today. My thoughts are with Marilyn, Michael, David and Rachel.

Marilyn,

I was shocked and saddened to hear about Jack. I have fond memories of flying to Little Rock with you and Jack for a BPPP meeting. I always enjoyed talking to Jack. He had a wonderful demeanor and an upbeat personality.

Your Friend,

I will hold dear my memories of Jack. He will forever remain a gentleman, a friend, a mentor and a guy with a wry sense of humor and a firm handshake. His passing will prevent me from adding to the rich store of memories. I am now obligated to protect and preserve all that I know of him and to do my best to prevent those memories from fading. We owe him that, at the very least.

Our hugs and prayers to Marilyn for such a shocking loss we all have sustained. Jack was just volunteering out here at the airport on 6/9, of course, doing something that he loved. All of us in the Sugar Land aviation community will miss Jack greatly. He had a passion for flying that was always happy to share with anyone with an interest. He shared his deep knowledge of flying by regularly teaching flight safety classes. His love of flying his Bonanza was infectious, and if there is a heaven, it has sparkling Bonanza with Jack's name on it. May his memory be a blessing to all that know him.
